SPRING, 1974

VINCENNES, INDIANA

The Convocation With Something Extra

When Atlanta hosts the 32nd Convocation of Sigma Pi on August 14-17, brothers from over 128 chapters and colonies will gather to chart the Fraternity's future and to reaffirm the national brotherhood of which we all are part. Old friendships will be renewed as new ones are made, countless stories will be retold, and many toasts to "Old Sigma Pi" will be raised.

These are the makings of all convocations. But brothers, undergraduates, and alumni alike, will find that the 1974 Convocation has "Something Extra" to offer them. For starters, both the city, Atlanta, and the hotel, Stouffer's Atlanta Inn, have much to offer. The big extra, however, is in the program itself. New sessions and new get-togethers will provide the delegates with valuable information and many good memories.

Undergraduate Leadership Program

Leadership, rush, chapter success, and the national fraternity will all be covered in the four workshops led by experts in each field. Province Archon Anthony Giannelli will lead a leadership training program entitled, "How to Improve Member Involvement". The workshop, divided into two parts ("Guaranteeing Success through Effective Programming" and "Developing Group Commitment") will instruct chapter leaders in group dynamics. Brother Giannelli is Associate Dean of Planning and Evaluation at the University of Utah, a position bringing him into daily contact with the campus' fraternities and their leaders.

Barry D. Siegel will make a special presentation, entitled "On Matters of Great Importance to Undergraduates", on Friday afternoon. Mr. Siegel, a former Executive Director of Zeta Beta Tau Fraternity, is a nationally known speaker on the fraternity movement and on modern rush philosophy.

Undergraduates from four outstanding Sigma Pi Chapters will lead workshops on "What Makes a Chapter 'Number One'?" Chapter delegates will break into four discussion groups, by area, to discuss the basics of chapter success, including administration, rush, finances, alumni support, and public relations. The breakdown will be as follows: Western Area (Alpha-Rho, Southwest Missouri), Midwestern Area (Beta-Gamma, Eastern Illinois), Southern Area (Epsilon-Beta, Kentucky) and Eastern Area (Alpha-Mu, Newark College of Eng.). Members of the Fraternity's professional staff will assist the undergraduate leaders.

Dr. Max Rafferty
Convocation Banquet Speaker

Thursday afternoon, the Grand Officers and Executive Secretary D. Dean Crook will hold a "rap session" with the undergraduate delegates and other interested brothers. Topics to be covered are the Grand Chapter's services program, chapter relations, and future directions for the Fraternity.

Special Alumni Sessions

While the workshops have been geared to the undergraduate brothers, the alumni have not been overlooked. On Wednesday afternoon, Grand Sage Robert R. Wieland will give a State of the Fraternity report in a special session open to all alumni. It will cover the Fraternity's accomplishments in the past biennium as well as the status of the brotherhood today.

As in the past, alumni support is needed in many different areas for a successful meeting. All Convocation Committees will include both undergraduates and alumni.

All of this is structured around the business meetings of the Grand Chapter. In addition to the varied reports and addresses which are made at these meetings, the future direction of the Fraternity is charted in them. Proposed changes in the Constitution and By-Laws, will be considered, new programs will be discussed, and, on Saturday morning, the Grand Officers for the ensuing biennium will be elected. It is at the Grand Chap-

CONVOCATION FACTS AND FIGURES

Registration: The registration fee for brothers and guests is \$10.00. This fee includes the Reception Dinner and Welcome Party on Wednesday, the bus to Underground Atlanta on Friday, the Convocation souvenir, handbook, and a name badge which will be used for admission to all meetings and functions. Brothers and guests may pre-register by using the form on page 3 of THE EMERALD or may register at the hotel. All brothers who pre-register will receive a Pre-Convocation Handbook containing further valuable information.

Rooms: Reservations for a room should be made directly with Stouffer's Atlanta Inn (590 West Peachtree St., NW, Atlanta, GA 30308). Be sure to state you are with the Sigma Pi Convocation. A business reply card for reservations will be supplied to all brothers who pre-register or who request one from the Executive Office. Room rates are: One Person, \$25.00, Two Persons, \$28.00, Three Persons, \$30.00, Four Persons, \$32.00. Rooms must be reserved by July 15, 1974.

NOTE: The official delegate from each chapter should use the Convocation credential form to register and reserve a room.

Meals: Convocation meals are those listed in the program printed on page 4. Brothers may purchase meal tickets for individual meals or for all meals at the Convocation registration desk at the hotel. **NOTE:** A ticket to the Reception Dinner on Wednesday evening is included in the Registration Fee.

Dress: A sports coat and tie is considered appropriate attire for all business meetings. Appropriate informal clothing should be brought for social functions. Brothers may wish to bring a suit for the final banquet.

Transportation: Airlines connect Atlanta with all major cities. Rail service is available from New York/Washington and New Orleans. Stouffer's Atlanta Inn is conveniently located off of Interstate 75, just north of the downtown area. Parking at the hotel is free to all registered hotel guests. Those not staying at Stouffer's are charged a maximum of \$2.25 per day.

Facilities: Stouffer's offers a wide range of facilities and services to its registered guests. Included are: Theatre in rooms, swimming pool, health club, sauna, gift shop, valet and laundry, specialty shops, restaurant, coffee shop, and night club.

ter meetings that every chapter and every brother can make its and his voice felt.

With the daytime scheduled for business, each night has been reserved for relaxation and the furthering of brotherhood. Wednesday evening, the Convocation will be "kicked off" with a reception and buffet dinner for all registered brothers and guests. Following the dinner, the Fraternity's Atlanta Alumni Club will host a "Welcome to Atlanta" Party.

Thursday evening, brothers will travel to Smyrna, an Atlanta suburb, for dinner at Aunt Fanny's Cabin, a noted area restaurant. The following evening, buses will again be available, this time to take brothers and guests to Underground Atlanta for an evening of entertainment at this famous beneath the street assortment of shops, restaurants, and night spots.

Founders' Award Recipients

The Convocation will end with the traditional banquet on Saturday night. At it the Fraternity's top awards and honors will be announced. Founders'

Awards recipients this year will be:

Cleveland Adams (Alpha-Delta, Auburn, '38), Professor and Department Head of Textile Engineering at Auburn University, for his service to higher education and to Sigma Pi.

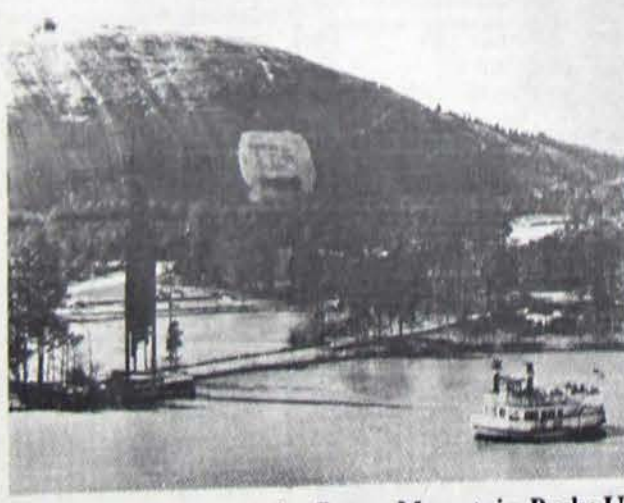

Col. Walter H. Lemmond, Jr. (Psi, Emory, '24), Past Grand Second Counselor and Past President of the Byron R. Lewis Educational Fund, for his service to Sigma Pi.

Hon. Carlton Mobley (Alpha-Epsilon, Mercer, '28), retired Chief Justice of the State Supreme Court of Georgia, for his service in the fields of government and law.

Dr. Max Rafferty (Upsilon, UCLA, '38), Dean of the School of Education at Troy State University, for service to higher education and the Greek-letter fraternity movement.

Dr. Judson C. Ward, Jr. (Psi, Emory, '33), Executive Vice-President and Dean of Faculties at Emory University, for service to higher education.

(continued on Page 4.)

Commentary

Frank E. Gray: A Tribute

Editor's Note: The following tribute to Past Grand Third Counselor Frank E. Gray is the eulogy delivered at his funeral by Mathew S. Rae, Jr. Mr. Rae is the Supreme Justice of Phi Alpha Delta Law Fraternity of which Brother Gray was a member. Many members of Sigma Pi and of Phi Alpha Delta, as well as other friends of Brother Gray, have generously donated to the Scholarship Fund created in his memory. A listing of these contributors appears on page 3 of THE EMERALD.

Frank E. Gray devoted his life to service in the greatest traditions of his country and profession.

As husband, father, brother, counselor, co-worker and friend, he touched the life of each of us, and of a multitude of others who are with us today in the warmth of thought.

Frank exemplified the American dream. A rugged individualist, he made his own way by hard work and perseverance from humble beginnings to material and professional success. But, he never found the way so hard that he could not pause to give a hand to those who found the path more difficult, or who were following after him.

Frank was a believer in service organizations as a means to benefit the largest number and was particularly devoted to groups serving students. His efforts as Executive Secretary for four years and Supreme Secretary for eight years helped to build Phi Alpha Delta Law Fraternity into a position of international preeminence. He served his social fraternity, Sigma Pi, as National Grand Herald. Remembering his law student days, he was active in promoting The Advocates, Loyola Law School scholarship support group. Many other organizations, fraternal, civic and social, had the benefit of his participation and practical advice.

Sometimes gruff, always sincere, a devotee of masculine repartee, Frank successfully hid from most of us many of his individual, and anonymous, acts of kindness. We will never know how many students he assisted in securing an undergraduate or professional education. He thought of service not as charity, but as an obligation of living. Frank saw to it that, within his capability, others should have a journey somewhat easier than his own. For this spirit, Phi Alpha Delta honored him as one of the first three members ever elected to its Distinguished Service Chapter. By this spirit, he has enriched the life of each of us.

Our hearts are joyful to have known Frank, to have lived, worked, traded jibes with, and loved him. Frank has but preceded us a step further along life's road. His smile, his outstretched hand, still encourage us to continue our journey.

Mathew S. Rae, Jr., Supreme Justice
Phi Alpha Delta Law Fraternity

Effective Alumni Programming

Editor's Note: In late March, John J. Caine attended the Mid-America Interfraternity Council Association (MIFCA) annual meeting. The following article is based upon the ideas he gathered attending one of the sessions.

Many times the active members of a chapter will ask, "What is wrong with our alumni? Why haven't they done anything? Why haven't they given us anything?" I think you will find the answer by asking yourself another question -- What have you done to make the alumni feel part of the chapter? As I realized at MIFCA, all too often the alumni are a forgotten quantity except and until the time something is needed.

For a chapter to build a successful alumni program, each active member needs to remember one rule: An alumnus is as much a member of the chapter as is an undergraduate, and he should be treated as such!

How do you do this? By keeping in touch with the alumnus. Make sure he is given advance notice of such activities as

parties, fund-raising projects, community service and house projects. After he becomes involved in some of the regular functions of the fraternity, the alumnus will have a closer tie with the present undergraduates and will become aware of the chapter's problems and how he can help.

Once the tie is re-established, the chapter will begin to reap the benefits of alumni involvement. However, the chapter is not the only one to benefit. Each alumnus will again be a part of the organization he helped to build as an undergraduate. But it is up to the undergraduates to begin by treating alumni as members once more.

—John J. Caine, Past Sage
(Alpha-Rho, SW Mo. St., '75)

Alumni Club News

Washington-Baltimore Club Reorganizes

In April the Washington-Baltimore Alumni Club held a re-organization meeting at the Alpha-Chi Chapter House on the University of Maryland campus. The group of brothers drew up a new constitution and by-laws with the assistance of Executive Secretary D. Dean Crook, who attended the meeting. Officers were elected to form the Board of Directors as follows: James A. Taylor (Beta-Tau, Valparaiso, '71), President; Ronald Lambert (Beta-Tau, Valparaiso, '72), First Vice President; Stanley Cieplak (Alpha-Chi, Maryland, '69) Second Vice President; James Dash (Delta-Rho, Morehead State, '70) Secretary; and Howard Lea-

man (Beta-Phi, Rochester Tech, '63) Treasurer.

Dr. Charles McComb (Alpha-Chi, Maryland, '52) and Stanley Cieplak were honored with plaques for service and efforts extended to Sigma Pi Fraternity. The brothers enjoyed the fellowship of alumni from chapters at colleges and universities across the United States. Anyone interested in joining the Washington-Baltimore Alumni Club of Sigma Pi, please contact James Dash, 7406 Vernon Square Drive, Alexandria, VA 22306.

James Dash

Psi Alumni Celebrate 50th

For the first time in the history of Sigma Pi the alumni of an inactive chapter celebrated the chapter's Fiftieth Anniversary. The festivities honoring the birth of Psi Chapter, Emory University, took place at the Druid Hills Country Club in Atlanta on March 29.

The invocation was given by Province Archon W. Marcus Reed, II, Alpha-Phi, who later also urged the Psi alumni to participate to a greater degree in the Atlanta Alumni Club, and to attend the 1974 Convocation in Atlanta.

Dr. H. Prentice Miller ('28), a charter member of the chapter and retired Dean of Alumni of Emory, acted as toastmaster, and introduced the speakers.

PGSC Walter H. Lemmond, Jr. ('25), also a charter member, told of the history of Beta Pi local, how it was attracted to Sigma Pi, and the details of the installation and banquet on March 29, 1924. He also told of the progress of Sigma Pi during the past fifty years, and of the

contributions of Psi alumni to Sigma Pi and Emory University.

Brother Judson C. Ward ('33), Executive Vice-President and Dean of Alumni at Emory reminiscing his days in the chapter made a very inspiring speech which drew much applause at the conclusion.

PGS Alexander E. Wilson, Jr. ('30) gave the Golden Cross Awards to those brothers present who were initiated into the Brotherhood during 1924. Seven brothers received these awards.

At the conclusion many of the brothers, who had not seen each other since graduation, got together and discussed the memories of their happy days in the chapter. All in all it was a great affair and indicated to all present that while Psi Chapter may be physically dead, its spirit still lives on.

PGSC Col. Walter H. Lemmond, Jr.

Atlanta Alumni Discuss Convocation

Province Archon W. Marcus Reed, II (Left) and Area Director J. Michael Hennessy (Right) with the newly-elected Atlanta Alumni Club Officers: (L-R) Louie Casen, Sec.-Treas.; Lynn Womack, V-Pres.; John K. Fulton, Pres.; and John Thornton, V-Pres.

The Atlanta Alumni Club of Sigma Pi Fraternity held its Annual Founders' Day Banquet at The Cherokee Town and Country Club in Atlanta, Georgia on February 28, 1974. After a cocktail hour and dinner, the new officers of the club, elected at the business meeting of January 23, were installed by Province Archon W. Mark Reed, II. They are: President, John K. Fulton (Alpha-Phi, Georgia, '67), Vice-President, John Thornton (Gamma-Tau, Georgia So., '69), Vice-President, Lynn Womack (Alpha-Phi, Georgia, '66), Secretary-Treasurer, Louie Casen (Alpha-Phi, Georgia, '70).

Following his incoming President's address to the Club, John Fulton introduced the main speaker, Mr. Don Stewart, an ex-newscaster for WSB-TV in Atlanta and a noted memory expert. His talk was very entertaining.

On this celebration of the founding of Sigma Pi, special recognition went to the Psi Chapter at Emory University whose 50th Anniversary was celebrated. In addition, the Alpha-Phi Chapter at the University of Georgia was honored for its 25th Anniversary. Not to be outdone, it was also noted that the Atlanta Alumni Club would celebrate its 40th Anniversary this year.

The 1974 Convocation to be held in Atlanta this summer was a topic of interest. John Thornton, co-chairman of the Convocation spoke to the Club about the upcoming event and the need for concerted Alumni support while National Officers and the delegates from around the nation are in Atlanta this August.

Also, on the agenda for the evening was the presentation of The Atlanta Alumni Club Alumnus of the Year Award. This award goes to the Alumnus who contributed most to the Club's success in the preceding year. This year Mark Reed (Alpha-Phi, Georgia, '68) was so honored. The nomination committee, headed by Tim Huggins and Bob Ross gave special recognition to Waldo Roescher, John Thornton, and John Fulton for their hard work.

Members were reminded of the monthly noon luncheon meeting on the first Tuesday of each month at the Royal Coach Motor Hotel in Atlanta.

Those members wishing to pay their dues for 1974 should send a \$10.00 check payable to Atlanta Alumni Club of Sigma Pi, c/o Mr. Louie Casen, 2610 Rivers Road, NW, Atlanta, GA 30305.

News of Successful Alumni

Three in a Row

Sigma Pi Brothers (L - R) Robert W. Busch, William E. Brattain, and Robert W. McCurdy have all served as NEC President.

Upon his election as chairman of the National Entertainment Conference's Board of Directors, Sigma Pi brother Dr. William E. Brattain (Beta, Indiana, '60) said, "The NEC is an exciting organization that has made tremendous progress in the past few years." He might well have added "under the leadership of my Sigma Pi Brothers."

For the third time in as many years, a Sigma Pi has been elected to lead the NEC. Brother Brattain's predecessor was Sigma Pi Brother Robert W. Busch (Gamma-Lambda, Wisconsin, Stevens Point, FAC) who had himself succeeded Sigma Pi Brother Robert W. McCurdy (Zeta, Ohio Northern, '65). The trio of brothers also have another common denominator: each has continued to serve Sigma Pi as an alumnus. Brothers Brattain and Busch have served as faculty advisors to their respective chapters, while Brother

McCurdy aided Sigma Pi as a Province Archon and as co-author of the Fraternity's current pledge manual, "I BELIEVE".

Brother Brattain is, at present, area head of student activities and the University Union at Western Illinois University in McComb, Illinois. Previously he held positions in the student unions at Indiana University (Bloomington, Indiana) and Manchester College (North Manchester, Indiana). He also holds the rank of associate professor of recreation and park administration and teaches a course in College Union Administration.

The NEC is an educational service organization of student and professional activities programmers and associated industries. It has more than 730 member institutions and approximately 400 associate members representing firms in the co-curricular programming industry.

Province Archon Dr. Lothar I. Iversen (Tau, Wisconsin, '27), on left, greets Dr. John A. Jarvis (Tau, Wisconsin, '30) at a recent dinner honoring Dr. Jarvis upon his retirement as Vice-President of Academic Affairs at University of Wisconsin, Stout.

Mike D. Beebe

(Alpha-Pi, Arkansas State, '68) has been appointed to the Board of Trustees of his alma mater by Governor Dale Bumpers. At 27, Brother Beebe is the youngest person ever to be a member of the board. He holds a bachelors degree in political science, graduated from the University of Arkansas Law School in 1972, and is now with the law firm of Lightle, Tedder and Hannah.

Gregory J. Evans

Gregory J. Evans

(Beta-Phi, Rochester Tech, '69) was appointed Director of Student Activities at Rochester Institute of Technology. He has continued to serve his chapter as an advisor and hopes to complete studies for a PhD in administration in the near future.

James M. Thompson

(Beta-Eta, San Jose State) has received a Service Award from San Jose State University upon his retirement from the faculty of the school. A noted scholar of Business Education and Administration, Brother Thompson has retired twice before from the positions of Professor Emeritus at Eastern Illinois University and of Lt. Commander in the U.S. Naval Reserve. His latest book, CLERICAL AND SECRETARIAL SYSTEMS, was published this past March. He has also served as the local President of the American Management Society, President of the Business Forum, and Editor of the "California Business Educational Journal".

Julian Webb

(Alpha-Epsilon, Mercer, '31) a Senator in the State of Georgia Legislature, has been named by Governor Jimmy Carter to the State Appeals Court. Interestingly, the Appeals Court vacancy was created when its presiding justice moved into another vacancy created by the retirement of Sigma Pi Brother Carlton Mobley (Alpha-Epsilon, Mercer, '28) past Chief Justice of the Georgia State Supreme Court. Brother Webb, a Donaldsonville, Georgia, attorney, has been a member of the Senate since 1963.

William F. Weber

(Sigma, Iowa State, '71) has accepted a position as an internal auditor with the Retail Division of Hart, Schaffner & Marx of Chicago. He was previously employed with the State of Iowa Auditor's Office.

Paul H. Coleman

Paul H. Coleman

(Gamma, Ohio State, '68) took over as assistant director of the Ohio Department of Public Welfare in October. His major responsibility will be to forge links of communication between the department and Ohio's forty-eight county welfare departments and forty-three children's services boards. Brother Coleman is also regional chairman of the American Association of Public Welfare Attorneys.

Douglas A. Dallmer

(Alpha-Iota, Missouri, Rolla, '59) has joined Applied Kinetics, Inc., a subsidiary of Alloy Metal Products, Inc., as a Vice-President. He will be responsible for the marketing of AKI's Melt Shop Control software/hardware system, electric power demand control system, order entry, production scheduling, and general consulting in computer systems for the metal industry.

Dr. H. Wade Swinford

(Beta-Tau, Valparaiso, '64) has received a Technical Director Award from the Naval Weapons Center at China Lake, California. The award was given in recognition of his success in achieving, for the first time, a practical technique for coherent operation of conventional magnetron transmitters. Brother Swinford received his PhD from the University of Arizona.

Memorial Contributions Aid BRL Fund

As was announced in the last issue of THE EMERALD, Memorial Scholarship Funds in memory of both PGS Becher W. Hungerford (Alpha-Beta, Michigan, '24) and PGTC Frank E. Gray (Upsilon, UCLA, '39) have been established within the Byron R. Lewis Educational Fund. Contributions to these funds as of May 6, 1974, are as follows:

CONVOCAATION
(from Page 1.)

Speaking at the Banquet will be Founders' Award recipient Dr. Max Rafferty. Dr. Rafferty, is a noted educator, orator, and journalist. As an undergraduate, Brother Rafferty was Sage of Upsilon (UCLA) Chapter. From 1963-71 he held the position of Superintendent of Public Instruction for the State of California. In 1971 he accepted his present position at Troy State University, home of Delta-Psi Chapter. Dr. Rafferty has, for several years, authored a nationally-syndicated column featured in more than 100 newspapers. Since his move to Alabama, he has also been featured in his own weekly television program and radio series. His books include: *Suffer, Little Children?; What are They Doing to Your Children?; Max Rafferty on Education; and Classroom Countdown.*

When it is over, those brothers who attend the 32nd Convocation will look back with fondness and appreciation. They will have made many friends. They will have learned about Sigma Pi. And they will have participated in the governing of our Fraternity. Most of all, they will have been part of the "Convocation with Something Extra".

Summer EMERALD Deadline
JULY 8, 1974

Undergraduates and alumni are invited to submit items of news and interest for publication in THE EMERALD. Such items, and accompanying photographs must reach the Executive Office by July 8.

DAILY SCHEDULE OF THE THIRTY-SECOND BIENNIAL CONVOCAATION

Stouffer's Atlanta Inn
August 14-17, 1974

Wednesday, August 14		5 PM	"Rap Session" on the National Fraternity with the Grand Officers and Executive Secretary

Outstanding Undergraduates

WILLIAM AND MARY SAGE RECEIVES WILLIAM P. MITCHELL MEMORIAL SCHOLARSHIP

Alpha-Eta Chapter Sage Thomas M. Dobson ('75) has been awarded the first William P. Mitchell Memorial Scholarship by the College of William and Mary.

The scholarship, established by Mr. and Mrs. A. E. Mitchell, honors their son, William P. Mitchell (Alpha-Eta, William and Mary, '65). Brother Mitchell was killed while a student at William and Mary as the result of a motorcycle accident. Family friends and fraternity members contributed to the fund.

The scholarship is awarded annually to an undergraduate member of Alpha-Eta Chapter on the basis of service to the College and to the Fraternity, academic achievement and financial need.

Brother Dobson, a junior physical education major, has served Sigma Pi as Second Counselor and rush chairman. He has played on the college rugby team for three years.

AKRON

Third Counselor Peter L. Mier ('74) has been named chairman of the university's 1974 Greek Week.

ARKANSAS

Randall G. Oxford ('75) has been elected President of the University Student Senate.

ARKANSAS STATE

Douglas Lowrey ('74) has signed with the New York Jets of the American Football Conference. Doug, who will play at either guard or center position, was drafted by both the Jets and the new Florida team of the World Football Conference.

ILLINOIS WESLEYAN

Gregory A. Poland ('77) has been elected to the All-University Judiciary Committee.

LOCK HAVEN STATE

Richard W. Morell ('76) has won the college's Table Tennis Championship.

INDIANA, SOUTH BEND

Award-winning Delta-Tau Chapter Brothers: James R. Johnson, Gary R. Sheeley and Casimir W. Sikora.

Three brothers have been singled out for honors by the university. Past Sage James R. Johnson ('74) received the "Excellence in Physics Award", First Counselor Casimir W. Sikora ('75) re-

ceived the "Excellence in General Management Award" and Third Counselor Gary R. Sheeley ('74) received both the "History Book Award" and the "Political Science Book Award".

MARYLAND

Past First Counselor R. Daniel King ('75) and Herald Marion Cieplak, Jr. ('74) placed First and Second, respectively, in the Pie Eating Contest of Greek Week.

SALEM

Sage L. Scott Viehdorfer ('75) has been named co-captain of the college's basketball team. Michael L. Cheselka ('75) has been elected Vice-President of the Interfraternity Council.

NEWARK COL. OF ENG.

Past Second Counselor Paul G. Ringhof ('74) and Past Fourth Counselor Steven J. Montague ('74) have been named to the Interfraternity Council All-Star Basketball team.

Eight brothers have been elected to the college's Student Senate in recent elections. They are: Frank P. Luciano ('76) Financial Vice-President; Edward M. Kosiarski ('77) Corresponding Secretary; Sergio DiLello ('75) Electrical Engineering Representative; Sage Leo J. Pflug, Jr. ('74), John A. Truhe ('76) and First Counselor Eugene H. Conkling, Jr. ('75) Civil Engineering Representatives; Second Counselor Ronald G. Dieter ('72) Mechanical Engineering Representative, and Charles H. Gages ('76) Chemical Engineering Representative.

SHIPPENSBURG STATE

Past Herald Peter Voudouris ('74) placed second in the college's One-on-One Basketball Tournament. Daniel L. Searer ('74) has received the college's Ray Ellis Award for activities and participation in sports. Second Counselor Michael J. Belcher ('75), school soccer player, has passed through the first cut in trials for the 1976 U.S. Olympic Soccer Team.

VIRGINIA TECH

Past First Counselor Jay R. Lucas ('74) has been elected President of the Interfraternity Council.

WEST VIRGINIA TECH

Herald James R. Pifer ('75) has been elected President of the Interfraternity Council.

WORCESTER TECH

Third Counselor Bradley S. Coleman ('75) and Past First Counselor Glenn R. Ekwall ('75) have been initiated into Lambda Phi Epsilon, Chemical Engineering and Chemistry Society.

NORTH CAROLINA STATE

Second Counselor James R. Baggs ('75) has been elected Vice-President of the Interfraternity Council.

Sigma Pi Deserves the Best

You can help Sigma Pi continue to grow and prosper. This year your Fraternity has seen young men pledging its chapters at an ever increasing rate. In addition, ten colonies have been started this year. For Sigma Pi to see this trend continued next year, your help is needed.

You probably know of a young man, your son, brother, or perhaps a neighbor, who you would like to see in Sigma Pi. By using the form below, you can recommend that he be pledged. Recommendations for men going to colleges and universities where Sigma Pi has a chapter or colony will be forwarded to the proper rush chairman. Those attending schools without a Sigma Pi chapter will be contacted to assist in the expansion effort at his school.

If you would like to personally assist in expansion efforts at a college or university nearby to your home, check the appropriate box.

Complete and mail to: Sigma Pi Fraternity of the U.S.
P.O. Box 1897, Vincennes, IN 47591

I would like to recommend the following young man for membership in Sigma Pi:

Student's Name: _____

College Attending: _____

College (or home) Address: _____

(Additional recommendations can be made on a separate sheet of paper.)

Recommended by:

Name: _____ Chapter: _____

Address: _____

I would like to assist in expansion efforts at: _____

WITH THE CHAPTERS

AKRON

The brothers of Gamma-Nu Chapter are once again enjoying a fun-filled spring quarter on the University of Akron campus. The highlight of the quarter was Orchid Ball, held at the University Club on A.U.'s campus on April 27. Actives, alumni, and pledges as well as brothers' dates danced the night away. A picnic the day after highlighted the weekend.

Greek Week is just around the corner, and we hope we will once again have a strong showing in the activities. Our chapter is defending runner-up in the Phi Kappa Tau "500" Bike Race as well as the Phi Kappa Psi Turtle Drink. We will also be in contention for the Delta Tau Delta Keg Toss crown.

Gamma-Nu will hold the first annual "Sigma Pi Beer Relay". (This will be discussed in the next EMERALD, but any chapter interested should write Richard A. Mier, c/o Gamma-Nu, 421 E. Buchtel Ave., Akron, OH 44304).

Spring quarter also finds us with 10 pledges. This is one of the best pledge classes to come to us in the last few years. We know that they will help put the chapter back on its feet.

Correspondent: Richard A. Mier

ARKANSAS STATE

Alpha-Pi Chapter began the fall semester with a very strong rush, resulting in a good pledge class for the semester. The 18 men have now been initiated. The new pledges and the brothers all worked very hard Homecoming week to build a mechanical display which took third place. Later that semester we traveled to Little Rock to watch Arkansas State play Xavier. We stayed the night and had a good party with a good turnout from our alumni.

New officers elected in December are as follows: Sage, Donny Joe Glenn, Jonesboro, Ark.; First Counselor, Marcus Reid Moore, Hornersville, Mo.; Second Counselor, Michael D. Williams, Jonesboro, Ark.; Third Counselor, Robert Coulter Davidson, III, Jonesboro, Ark.; Herald, Terry John Laughinghouse, Ozark, Ala.; and Pledge Trainer, James Mark Martin, Alton, Ill.

That same month we sponsored a Christmas window judging contest in which all sororities and independent students participated. We also gave a Christmas party for the underprivileged children of the area.

In March we put on a "suppressed desire" party where everyone dressed as something they wanted to be when they grew up. The turnout was excellent and prizes were given for the "best" dressed couples.

Orchid Ball was held in April in Memphis, Tennessee. We had dinner at a downtown restaurant and a dance at the Sheraton Motor Inn. During the dance our new Sweetheart was crowned. She is Kathy Watkins of Stuttgart, Ark. Kathy replaced Georgeanne Stump of Jonesboro, Ark.

At the close of this semester we find ourselves working very hard for a lodge style house. Plans have been drawn and we are starting a campaign to raise funds to build it.

Spring semester pledges are: Barry Gordon Phillips, Batesville, Ark.; Curtis Stephen Larue, Marion, Ark.; Roger Dale Brooks, Jonesboro, Ark.; Robert Eugene Shellenberger, Little Rock, Ark.; Richard Carl Jans, Little Rock, Ark.; John Robert Hoben, Tulsa, Okla.; and Billy Charles Johnson.

AUBURN

Winter quarter turned out to be an exciting one for Alpha-Delta. During the quarter elections were held, events such as the formal and founders' day occurred, and bowling and basketball made it big.

Eleven new officers were elected early in the quarter. The officers are: Sage, Joe Paul Abbott; First Counselor, Richard R. Miller; Second Counselor, Edward L. Gilgenast; Third Counselor, Marcus D. Porter; Fourth Counselor, Thomas F. Davidson, III; Herald, Perry A. Smitherman; Rush Chairmen, Phillip M. Dupree and Jeff Cook; Pledge Trainer, Dick Barnett; Social Chairman, William L. Post; House Manager, David F. Lambert; and Little Sister Chairman, C. David Byrd; Alpha-Delta is proud of its new officers and hope that they can be as good or better than the ones in the past.

The Alpha-Delta formal this year was held in the mountains on North Carolina in hopes of snow and skiing. Unfortunately, the weekend was rained out, but in the true spirit of Sigma Pi, we managed through it all.

Our Founders' Day banquet was held on February 23. The guest of honor was a past Sage of Alpha-Delta, Mr. F. D. Robinson from Fort Payne. The outstanding pledge award was given to David Lambert, our current house-manager. Dave was a good pledge and is doing a great job as house-manager.

Winter quarter was a memorable one for Alpha-Delta in the area of sports. Alpha-Delta led strong teams of basketball and bowling under the eyes of Brothers Clifton McKnight and Butch Gilgenast respectively, into the playoffs, only to be beaten in both areas in the semi-finals. These two brothers and the members of the teams should be congratulated for the time and effort they put into their sport.

Thanks to our house mother Mrs. Burladne Newton, our advisors Col. Goodwin and Dean Adams and our treasurer, Brother William M. Hogan, Alpha-Delta finally has money in a savings account. Sigma Pi is one of the few fraternities on campus with such a financial status. A large amount of hard work made this happen and the brothers of Alpha-Delta congratulate you all.

Due to the poor grade point average of winter quarter, especially those of the new initiates, a group-study program has been set up where three brothers whose grade point average is a one point, get together and help each other raise their grade point. It will hopefully change the study habits of some of the brothers.

The brothers of Alpha-Delta wish to thank the alumni wholeheartedly on their contribution to buy the much needed den furniture. It will greatly improve the appearance of the den as the old furniture was badly worn out.

Brother William M. Hogan is in charge of the house party this quarter which will be held the last weekend in April down in Pensacola. There will be a lot of fun-in-the-sun to had as Alpha-Delta hits the beach.

Softball seems to be a promising sport this year for Alpha-Delta. Alumnus Gary Tillery ('68) is getting the team in shape for our first game, April 11.

Alpha-Delta is becoming involved with the IFC at Auburn. At present we have two brothers, Gary Tillery and Roger Dean, who are committee heads while six other brothers are members of committees. They are: David F. Lambert, Research; Richard R. Miller, Public Relations; John L. Lindley, Social; Hubert T. Turner, Jr., Newsletter; Mike Campbell, Greek Forum; Alpha-Delta has the largest number of people from a single fraternity on committees in the IFC.

If any of you are in the Auburn area, stop by and see us sometime.

The Ball State Chapter Championship Volleyball Team.

BALL STATE

Spring semester has been an active one for Delta-Nu Chapter. Our volleyball team is at present participating in the university volleyball tournament. This March we held a fund-raising campaign for the Heart Fund and collected more than any other fraternity. The Orchid Ball was held at the Fort Wayne Sheraton Hotel. In addition, four new pledges comprise our Nu Pledge Class. They are John Gill, Mike Stevens, Jim Shovey, and Scott Gildersleeve.

BRANDYWINE

Since colonization in early February, the Brandywine Colony has been making much progress on campus. Much time has been spent on setting up the administrative operation of the fraternity, and we have finished writing

The founding members of Sigma Pi's Brandywine Colony.

The Brothers of Central Michigan Chapter prior to their initiation.

our By-Laws. Thirteen more men have been pledged, bringing our total to twenty-six members. The new members are Roger A. Coyle, David C. Byam, William H. Conner, III, Richard D. Nardo, Ernest L. Pala, Mark A. Ramsdell, Michael W. Browos, J. Edward McClure, Daniel P. Hoefftman, Daniel M. Smallcombe, Albert C. Burdge, Glen L. Davis, and Neil A. Corsi. Each new man has a different quality which will help the fraternity.

Several "Hall Parties" have been held to raise money and we are planning both community and college service projects. Everyone is working hard in the hope that we can become a chartered chapter next year.

CALIFORNIA LONG BEACH

This year seems to be the beginning of a new era for the brothers at Beta-Omicron. Spring rush proved successful as we acquired 15 pledges, one of the largest classes on campus. The new pledges are Curt Condon, Ted Dickson, Bob Driskell, Gary Edwards, Fred Ernst, Walt Ernst, Tom Frutchey, Dave Gill, Dave Haslett, Jim Lancaster, Jim McKenna, Bruce McLin, Kurt Nielsen, Steve Silverstein, and John Wilson.

Right after rush, Sigma Pi continued its winning way by taking all university playoffs in our division in football. The brothers kept going to make the playoffs also in soccer, volleyball, and two of three teams in basketball. At present, we are leading in over-all sports competition with the help of Stacy Martin who won All-University intramural golf. In unofficial Sunday football we finished undefeated after disposing of Kappa Sigma and Sigma Alpha Epsilon. The actives and alumni have so much on the ball that the pledges didn't stand a chance during the Pledge-Active football game which the pledges lost 33-6.

The brothers would like to give a big hand to the brothers who are playing intercollegiate sports. They are: volleyball - Stephen J. Ahle and Gene Hyatt; football - David H. Dykstra; Crew - Christopher F. Lewis, Thomas D. Zotovich, Robert C. Cowan; track - Stephen M. Zotovich, and tennis - Curt Condon and Kurt Nielsen.

Elections rolled around and elected officers were: Sage, David M. Clark; Second Counselor,

Richard A. Denman; Third Counselor, Michael W. Gibbs; Fourth Counselor, Henry S. Glenn; First Counselor, Steven H. Arnold; and Herald Gary Redmond.

Social events included Pajamarino which Michael R. Wilson did a great job with, Las Vegas Night, Red Light Sale which raised over \$450.00. Orchid Ball will be held at Salton Sea, March 10-12. Special thanks and congratulations to brother William J. Cutbirth for his help at Founders' Day, and brother Steven R. DeGrave, Western Area Director, for making us a part of his life, and to the future weddings of Brothers Bob Sheldon and Robin R. Coleman.

With the assistance of which we have received from the Beach Cities Alumni Club, we have achieved the stature of the No. 1 Fraternity on campus.

We are also working with the members of the new Upsilon (UCLA) Colony in the renovation and reopening of their house.

CALIFORNIA SAN JOSE

Since last fall Beta-Eta Colony has made good progress in the areas of membership and of our own sense of Fraternity. We started out the school year with seven members and are now up to eleven. While this is not a large number, it is a good start to rebuilding the chapter.

In our effort to gain new members we have shifted our daily stress to scholastic pursuits and social activities. We have started a study hour from seven to nine every evening, Sunday to Thursday. Our social events include T.G.I.F.'s, after game parties, and participation in the social functions of other fraternities on campus.

In the planning stages is the re-organization of an active alumni club in the South Bay area. This is a slow process. We enjoy hearing from our alumni and talking about the days when the chapter was strong. We would also like to update our mailing list so it is easier to notify the alumni of our functions such as the Orchid Ball and our undergraduate-alumni programs.

We would like to invite the area alumni to drop by the house when you are in the area, even if only for a few minutes. We would like to get to know you.

CALIFORNIA SANTA BARBARA

We never believed it would happen! Alpha-Omicron took the honors in the quarterly Grade Point Average derby over all other fraternities on campus. Our 3.23 was far and away the highest, with the second place only a 3.0.

Good luck to our new officers, especially Sage Michael R. Pauley. Although he is one of our youngest brothers, we all feel that he has the drive and the ideas necessary to be a success in his new position.

Alpha-Omicron bounced back after a close defeat at the hands of the "Ten Quickies", to clobber "Sticky Fingers" 30 to 8. Highly touted "Potello 7 Munger" is our next opponent. (Don't ask me where they get these names.)

We hope all our alumni are starting to RSVP for the alumni weekend. By a strange coincidence, the "Grateful Dead" happen to be playing, so that may be even more incentive to come back to the old house. See you Memorial Day weekend!

Correspondent: Christopher R. Inama

CENTRAL MICHIGAN

The brotherhood of Delta Alpha Chapter has continued to grow. With thirty new brothers, and nine older ones, we have a total membership of thirty-nine. Potential for continued growth next year is great. Spring semester saw Sigma Pi defeat all but one fraternity in Central Michigan's Greek Week. We finished a strong second in the final standings and let it be known that Sigma Pi is back to stay at Central.

DETROIT

The Brothers of Gamma Alpha Chapter finished the term with a dual induction of brothers and newly elected officers. The newly elected members of the Executive Council are: Sage, Edward J. Noreika; Second Counselor, Patrick J. Hughes; Third Counselor, David Barilovich; Fourth Counselor, Michael A. Della Lucia; Alumni Secretary, Michael J. Bartoy and Herald, Ralph T. Malaker.

Hardest congratulations are offered to Brother Edward J. Noreika who was inducted into the following honor societies: Eta Kappa Nu, Tau Beta Pi, and Alpha Sigma Nu. He has also been elected to the offices of Recording and Corresponding Secretary of Eta Kappa Nu and Vice President of Alpha Sigma Nu.

Ralph T. Malaker received an award conferred by the teaching staff at the University of Detroit's College of Electrical Engineering for being the most organized student.

The following Brothers made the Dean's List this term: Daniel P. Postler, Edward J. Noreika, Joseph A. Trombka, Scott C. Foerster, Lawrence L. Luchi, and Edwin J. Siegwarth who earned the second highest grade point average of his graduating class (3.87).

Certainly the biggest event of the term was the annual Orchid Ball. The theme was "Past Sweethearts" and was attended by alumni, and Sweethearts from around the country.

As is the usual custom, the most deserving Brothers received awards at the Ball. Salvatore C. Licata stole the show by receiving three of the service awards. He was voted "The Officer of the Year", "The Senior of the Year", and was given the "Loyalty Award". David Barilovich was named "The Brother of the Year", Mario Contini received "The Alumnus of the Year", and Edwin J. Siegwarth was awarded "The Oil Can Harry" award for having the car least likely to be running next semester. Also, the "Peggy Fleming Rookie of the Year" award went to Edward J. Noreika for his "unusual" skating ability and Ralph Malaker was given the "Spirit" award for having, consuming, and spilling the most spirit on Fraternity weekend.

In sports this term, Edward J. Noreika and George Montz won first place in the intramural tennis doubles. Edward J. Noreika also placed second in the intramural ping pong competition. The basketball team made the playoffs before being eliminated.

Around the campus, Joseph F. Cammarata was elected President of the Council of Fraternal Organizations, and Richard Wojcicki is this year's graduate assistant baseball coach. Correspondent: Ralph T. Malaker, Jr.

EAST STROUDSBURG

Beta-Psi Chapter proudly announces its new officers: Thomas C. Katona, President; Alfred Ericson, Vice-President; Mark T. Smith, Treasurer; John A. Merlo, Secretary; Jeff McCublin, Sgt. at Arms; Ronald G. Williams, House Manager, and Robert B. Boileau, Herald.

The basketball team remained intramural champs for the second consecutive year. We would like to thank the Brothers at Fairmont College for the fine Basketball Tournament they hosted. We are proud to say the Beta-Psi dribblers placed third in a tough competitive field with Brother Bruce J. Leib making the All-Tournament team. We would also like to thank the population of Fairmont who put up with our capers and gave us a place to rest our weary bodies.

We are about to close our spring social calendar with the annual Orchid Ball. We are proud to announce that Ann Whitmarsh was elected Orchid Ball Queen and will be escorted by her fiance, and Past Sage, Guy A. Huttlin.

The softball team started spring workouts, and we are looking forward to a championship team.

The Beta-Psi Chapter has made vast house improvements this semester and are looking for new furniture. If any chapter is trying to get rid of old furniture, please contact our chapter. Good luck to all Sigma Pi's across the nation. Correspondent: Robert B. Boileau

FRANKLIN & MARSHALL

Nu Chapter is alive and prospering! "Hell Weekend" for the Spring pledge class resulted in the brotherization of seven new members led by "pledge of the year" Thomas G. Phillips, IV. Most of the weekend involved restoration of the Nu Chapter house which has stood since before the turn of the century.

Elections for the '74-'75 academic year saw the return of Scott S. Sainsbury as Sage.

He was recently elected President of the Interfraternity Council at F & M. The other newly elected officers include: First Counselor, Paul J. Gil; Second Counselor, Peter H. Weissman; Third Counselor, Stuart H. Nectow; Fourth Counselor, Gerald J. Ferencz; and Herald, Robert C. Farnsworth. The new executive council hopes to continue the upsurge of Nu Chapter which has seen the size of the brotherhood more than double in the last two years.

ILLINOIS

The men of Phi Chapter have been active recently in diverse areas of achievement and service.

On April 10, John T. Hague and David C. Shotick were initiated into Phi Eta Sigma national freshman scholastic honorary society. A requirement for membership in the U. of I. chapter (The society's founding chapter) is a grade-point average of at least 4.5 on a 5.0 scale. Thus these two men are doing their part to uphold Sigma Pi's traditionally high standards of academic excellence.

George W. Eckart, a four-year veteran disc jockey on the campus radio station, served as an emcee for the recent record-breaking dance marathon for Muscular Dystrophy held here on campus and, along with all those participating, helped set the tone of the event as one of giving of oneself.

Lewis L. Rose, Jr., is serving as chairman of the Student Rescue Committee, which gives parents the opportunity to send an assortment of energy-rich snack and other "goodies" to their son or daughter during finals week. The SRC also coordinates the distribution of these "CARE" packages at other college campuses.

In addition to the special activities of these individuals, athletic teams are entered in such diverse sports as softball, bowling, rugby, and tennis. All have acquitted themselves well. Needless to say, spring has been (and continues to be) a busy time for the men of Phi Chapter. Correspondent: Ronald G. Hazen

ILLINOIS WESLEYAN

The year started out with a bang as we pledged 12 new members, the largest pledge class in our five year history. Second semester we were able to add four more members.

Our social events for the year included a fall informal, a Founders' Day banquet, and our upcoming Orchid Ball. We have had several exchanges with sororities throughout the school year, and we anticipate having more activities next fall.

In addition to being socially active, we have participated in different projects this year. Last fall we took first place in the talent show and third place in the float competition during homecoming. The chapter also concerned itself with a philanthropic project. It involved taking the orphans from the Soldiers and Sailors Home bowling and to a Wesleyan basketball game. Finally, The Illinois Wesleyan Colony is most proud of the fact that we obtained our first composite this year.

The Sigma Pi Colony has also concerned itself with intramural sports. We have participated in football, tennis, basketball, bowling, volleyball, and softball. We will continue to participate in the future.

Following are individual awards: Gregory A. Poland was elected to all-university judiciary committee; members of the freshman honorary society were Gregory A. Poland, Herbert J. Guarascio, James F. Causey, Mark D. Griffith, and Kevin R. Bower. William C. Schwab and William D. Havlik were initiated into Green Medallion. Jerald R. Hamley was appointed to the Admissions Committee and initiated into Blue Key. Jon L. Lynn and Ramon A. Rodriguez had leading roles in the production of Shakespeare's TWELFTH NIGHT. Correspondents: Jerald R. Hamley, Dale Engel

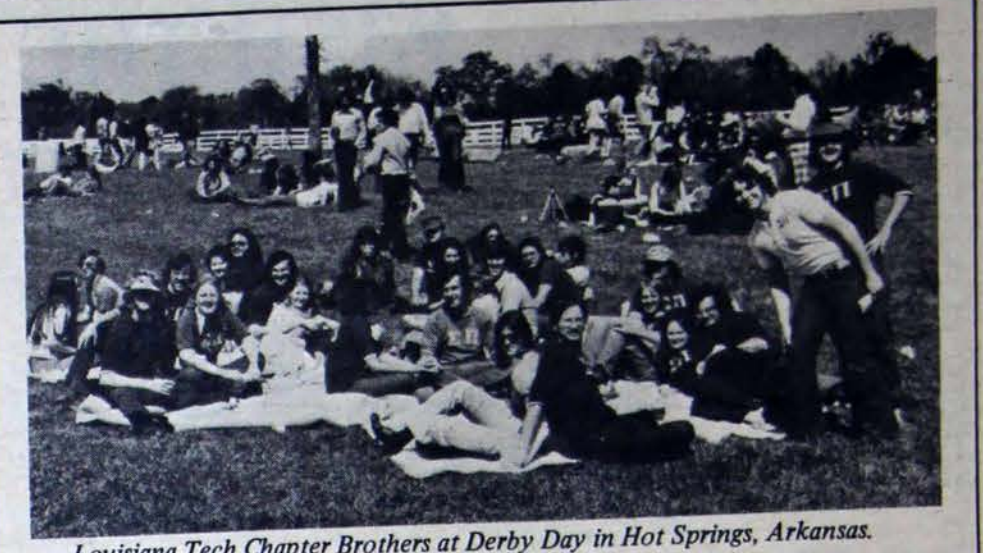

INDIANA SOUTH BEND

The Brothers of Delta-Tau Chapter are looking forward to a very busy summer, after having a successful Spring semester.

The Fraternity's basketball team under the coaching of Brother David A. Diroll, enjoyed the winningest season of our history.

The highlight of the spring semester was the First Annual Max V. Shaffer "His-n-Her" Smoker. The Brothers and Little Sisters raised around \$1,300.00 of which 50% will go to the Max V. Shaffer Scholarship Fund, 30% to chapter house improvements and 20% to the Little Sisters' Treasury. Chairman John M. Reith and Co-Chairman Peter W. Sanders, David A. Diroll, and Michael J. Biggs were very pleased with the outcome of the Smoker and want to thank all the Brothers and Little Sisters for their fine effort in making it a success.

The Brothers held their spring elections. Newly elected officers are Sage, Gary R. Sheeley; Second Counselor, Richard J. Herzberg; Third Counselor, James G. Mitchell; Fourth Counselor, Michael J. Biggs; First Counselor, Tommy "Tub" Johnson, and Herald, Michael J. Blair. Correspondent: Richard J. Herzberg

Louisiana Tech Chapter Brothers at Derby Day in Hot Springs, Arkansas.

IOWA

As the school year comes to an end for 1973-1974, Xi Chapter is extremely optimistic for the upcoming school year. This spring we placed fourth in intramural basketball, having been led by guard T.W. Hill, II. Richard A. Stief, and Paul M. Platte. We are represented on the cheerleading unit by Thomas D. Sheetz, and four Pi's are on the Homecoming Council for next year: Richard W. Williams, II, chairman; Mark J. Corsale, Tom H. Burke, and James A. Bice.

New officers were recently elected for the 1974-1975 school year. They are: James A. Bice, Sage; James E. Coon, First Counselor; Steven K. Sorensen, Second Counselor; David C. Sherwood, Third Counselor; Drew C. McAvoy, Fourth Counselor; Michael L. Walker, Herald and Robert J. Carpenter, House Manager.

The Pi's here at Iowa are now bearing down on finals, and we hope to keep up our tradition of being tops on campus in academics. We have a good start for rush already, having pledged five new Pi's. They are Scott Swanson, Norm McKay, Scott Porter, Dennis Amick, and Tim Anderson. We are fired up for next year with the excellent start in rushing, and hope next school year brings a lot of good times and memories here at Xi Chapter. Correspondent: Thomas W. Hill, III

KENTUCKY

Spring semester at Epsilon-Beta has been one of growth and accomplishment. After having the second largest pledge class on campus this spring (14), we were able to install an additional 5 men as pledges in our mid-semester rush. Our Little Sisters' number is also continuing to grow with the installation of an additional 24 new girls.

Sigma Pi is becoming well known on the University of Kentucky campus as being the leader in Student Government, athletics, and community services. Epsilon-Beta won the annual Delta Gamma Anchor Splash beating the other twenty fraternities by coming in first in four of the eight events. Sigma Pi also conducted a cross country Bike Race this semester with great results. Prize money for the winners was over \$100 plus trophies. We had a great turnout with over 80 participants. Our Brothers also won the Heart Fund Drive Award by having the most participants in the annual drive.

Patrick C. Bashore, who was elected as a Student Government Senator, was joined this semester by Randall L. Wyncoop and Timothy J. Cunningham, both elected in campus-wide elections.

The Brothers of Epsilon-Beta have spent much time on the road this semester visiting our Brothers of other chapters. On the way back from their Spring Break in Florida, approximately ten of our men visited the Brothers of Epsilon-Alpha Chapter at Southern Tech. Then after installing our fourteen actives at Shadowwood, we visited the Brothers at Alpha Chapter. A few of the men from Epsilon-Beta also went on to visit the Brothers of Gamma-Pi, at Indiana State and the Brothers of Beta-Gamma at Eastern Illinois.

We here at the University of Kentucky are looking forward to our first Convocation as an Active Chapter, and we plan to make a strong showing. Correspondent: William A. Osborne

LOUISIANA TECH

Spring and summer will be busy months for the brothers of Delta-Lambda. Everyone is working hard on the plans for our summer rush parties and next fall's formal rush.

Our new officers were installed in March. They are: Sage, James W. Slezak, Jr.; First Counselor, Wayne G. Daigle; Second Counselor, Charles J. Hendren; Third Counselor, Ronny J. Lawrence; Fourth Counselor, Eric B. Stewart; and Herald, Thomas H. Frost.

On April 6, the brothers and little sisters took time off from school and work for Derby Day in Hot Springs, Arkansas. The families of the brothers that live in Hot Springs put everyone up for the weekend. All day Saturday was spent at the races with everyone enjoying themselves immensely. While at the track, we met

brothers from Alpha-Rho (Southwest Missouri) and Alpha-Pi (Arkansas State) Chapters. Following the races, Brother Slezak's family hosted a party for the chapter. As we all left Hot Springs there was a unanimous vow to return next year.

Delta-Lambda won the trophy for the "Out-standing College Group" in this year's March of Dimes Pledge Walk. Several of the brothers made the complete distance and were awarded the "Order of the Battered Boot". Alumnus Brother Rinehart, won trophies for most sponsors and most money pledged. His daughter won the trophy for the youngest walker.

The weekend of April 20 is "Greek Week-end" here at La. Tech. All the Greeks on campus will be on hand for the fun and games. The event we are eagerly anticipating is the fraternity presidents pie eating contest. Topping the evening will be a dance.

We are holding a rummage sale this quarter to obtain money for our summer rush parties. We plan on four parties, one each in Hot Springs, Ark.; Shreveport, La.; Baton Rouge, La.; and New Orleans, La. Any brother that will be in those areas is welcome to come. Just write us and we will send the information as soon as the dates for the parties are set.

Six of our brothers had the pleasure of attending the colonization of Southern State University in Magnolia, Ark., in April. We are looking forward to the return trip for their chartering.

Several of us are looking forward to the convocation in August and the opportunity to meet the brothers from the other chapters across the nation. Correspondent: James T. French

MADISON

Although it has been a rough year for the Madison Colony, things have finally "come together". A good rush and a strong showing in Greek Week helped greatly. We have rented a townhouse residence for next year and have had the pleasure to meet several alumni in the Harrisonburg area.

Despite the fact that Sigma Pi is the smallest fraternity on campus, we placed third in football, second in Greek Sing, and did well in several events at the Greek track meet. Correspondent: Robert A. Pearce

MISSOURI

Another semester has come and gone and the Pi's are searching for changes. With a hard rush in process, Gamma-Sigma Chapter is hoping for a refurbished and full house.

In athletics, the Pi's have had the best year ever. We currently rank 8th in intramurals with only track left. James R. Andrews and Jerry F. Hilecher finished in the top four in handball doubles, and swimmer Martin M. Doerr set two school records in the two races he entered. Our soccer team finished their season by winning the division and finishing third overall. We also took third place in Greek Week games out of 33 fraternities.

The social highpoint of the semester was Orchid Ball. The Pi's went down to the Lake of the Ozarks for the weekend and danced all night to a great band. Mary Jo Sokol was voted chapter sweetheart.

Our pledges who are now enjoying "Help" week took their walk out last weekend to Alpha-Rho (Southwest Missouri) Chapter. Correspondent: Jerry F. Hilecher

MISSOURI ST. LOUIS

Spring semester has once again been good for Delta-Zeta Chapter. On February 17, we played our campus rival, Pi Kappa Alpha, in tackle football. It was a close contest ending in a 6-6 tie. Our thanks go to alumni brothers Bill Neukum, Joe Hasenmueller, Gene Bryant, and Mike Rutherford for their moral and physical support.

The last weekend of February saw about 20 of the brothers travel to Vincennes, Ind., for a retreat at the Fraternity's headquarters. Saturday and Sunday were spent touring the grounds, planning for the upcoming Greek Week, and holding a small party in the extra

Missouri, St. Louis Chapter's winning 15-man pyramid.

time. Special thanks to Lawrence L. Duncan, Director of Financial Services, for hosting us during the visit.

The following weekend saw the start of an annual tradition. Delta-Zeta and Delta-Omega (So. Ill., Edwardsville) chapters jointly celebrated the Fraternity's Founders' Day. It was well attended by both chapters.

The biggest news of the semester was Greek Week. In the sing competition, the brothers entered the musical, "Peter Pan", doing the numbers, "I Won't Grow Up" and "Captain Hook's Waltz". We placed second in the sing competition and, once again, won the Scholar Quiz. Brother Stan Anderson was named Greek God. In the final Greek games we placed first to give us a second place over-all. The Greek Week banquet saw Sage L. Michael Kennedy named "Man of the Year".

The last fling of the year was the Charter Banquet. Over 180 parents, alumni and undergraduate brothers and pledges attended. Western Area Director Steven R. DeGrave and Province Archon Glennon D. Jamboretz represented the Grand Chapter. Greg Webb was named Outstanding Alumnus and Miss Rosanne Stipich was crowned Sweetheart.

Correspondent: Joseph E. Heggi

Morehead State Brothers with their Sigma Pi van.

MOREHEAD STATE

For Delta-Rho Chapter the spring of '74 has been a successful one. Our Founders' Day weekend was the highlight of the semester. Many of our alumni returned for this event. The two days of meetings and activities ended with a banquet and party. Jeff Wilkinson, our founding father, and Ellis Hefner, our Province Archon, were the guest speakers at the banquet.

For the second year in a row we placed first in the Sigma Sigma Sigma Songfest. A lot of time and energy was put in under the direction of Brother Kenneth L. Bonnell. We are very proud of the trophy we received.

Our project committee has been hard at work. Besides parties we had two car washes that brought in over \$120. Also, through the work of Brother Glenn R. Blafield, we had a successful "One on One" Contest.

During the semester we had a four man pledge class. These pledges are Mark W. Grimm, R. Bradley Jacobs, Timothy L. Myers, and John D. Ranhardt. Our little sister program also grew and we initiated thirteen little sisters on March 31.

Some of our brothers have received individual honors. Brother Glenn R. Blafield was elected president of Sigma Delta, an honorary co-ed fraternity in Health and P.E. Brother Kenneth L. Bonnell was initiated into Blue Key National Honorary Fraternity. Brother James K. Martin was initiated into Phi Mu Alpha, a professional music fraternity. Brother Terry L. Friedrich enlisted in the Marines under the PLC program. Pledge R. Bradley Jacobs is the Intramural Wrestling Champion for the 142 lbs. Weight class.

Our new officers are Sage, Kenneth L. Bonnell; Second Counselor, Thomas C. Schmid; Third Counselor, Terry L. Friedrich; Fourth Counselor, Daryl J. Angel; First Counselor, James K. Martin; Herald, R. Bradley Jacobs. With these new officers and some projects in the planning stage we are going to show Morehead State University that Sigma Pi is on the move.

Correspondent: Bruce A. Peak

MURRAY STATE

The spring semester has been a very busy but enjoyable one for Gamma-Upsilon. In January we installed the Nu pledge class, the second pledge class this year. The new brothers have helped the fraternity with both their time and their ideas.

After the installation of the Nu pledge class, and an extensive rush on the part of the entire chapter, the Xi pledge class was initiated on April 18. We feel that these brothers, as well as the rest of our new brothers will be a great asset to the fraternity and will help to increase the growing interest in Sigma Pi here at Murray and wherever they go.

On February 23, the brothers held their Founders' Day dance. We were happy to see many of our alumni that visited us during the weekend. Their visit reminded us that it was these men who made the existence of Gamma-Upsilon Chapter possible.

Orchid Ball was the next event on our calendar. This year it was held at the Ritz Hotel in Paducah, Ky. There was a buffet supper followed by a dance in the hotel's ballroom. We were greatly encouraged by the number of the alumni that were in attendance.

We elected officers for the '74 fall semester. They are: Sage, Larry D. Payne; First Counselor, Francis W. Ronneau, II; Second Counselor, David J. Gray; Third Counselor, Albert L. Wunderlick; Fourth Counselor, Keith E. Russell; and Herald, Bruce W. Kofler. We feel that under these young men the fraternity will have a very successful fall semester.

Since the semester is almost over at M.S.U., everyone is looking forward to the fall. To get everything started and organized quickly, the brothers are planning to have a summer retreat the weekend of June 28. We hope to see as many of our alumni as can make it.

As the brothers of Gamma-Upsilon look back upon this school year we can see many changes that have taken place within the chapter. The chapter has benefitted from these changes making us a closer knit group of men and giving them a greater sense of brotherhood. This progress and increased brotherhood stems from the great interest of the newer brothers coupled with the experience and interest of the older brothers and our distinguished alumni. It is every brother's hope that this upsurging of unity will continue in the following semesters, making Sigma Pi better known on M.S.U.'s campus and all across the country.

Correspondent: Bruce W. Kofler

NEWARK COL. OF ENG.

Second semester has gotten off to an excellent start at Alpha-Mu, with 19 new brothers being initiated in early February. Spring rush started and saw new pledges by the middle of March. Our annual Founders' Day festivities were held on February 26, at the Knights of Columbus Hall at Kenilworth, N.J.

Once again our second semester was started by the return of brothers from our "Alpha Mogul" colony at Stowe, Vermont. The ski trip to Vermont was not paid by the house, but was financed and organized by the individual brothers and pledges on the trip. This year saw our "Alpha Mogul" brotherhood up from 16 to 20 and the renting of an entire lodge.

Sports this semester has seen us finish our I.F.C. Basketball season with Sigma Pi in second place. This was a disappointment after taking first place in this last year. We are, at present, in first place in the I.F.C. bowling with only a few weeks left to play. The Sigma Pi "Survivors" of the intramural basketball took first place after an excellent season. I.F.C. softball has started and we are looking for a good season.

The spring semester has had many excellent social events. Some of these are: Submarine Party; Spaghetti Dinner and Party; Pajama Party; rush parties; Alumni-Active Cocktail Party; and the most successful would have to be our Chinese Auction sponsored by our Mothers' Club. Over \$1,000 was earned for the Mothers' Club to aid our house.

Looking ahead, we have our Charity Car Wash, Spring Dance, initiation of new pledges and of course for the seniors - graduation, and for the rest of us - summer vacation.

Newly-elected officers of our chapter are: Sage, Leo J. Pflug, Jr.; First Counselor, Ronald G. Deiter; Second Counselor, Eugene H. Conkling, Jr.; Third Counselor, Frank P. Luciano; Herald, Lawrence Swartz and Assistant Third Counselors, Edward M. Kosiarski and Stewart N. Pollin.

Correspondent: Lawrence Swartz

NORTH CAROLINA STATE

It is fairly evident that Rho Chapter has accomplished many feats at North Carolina State. Most important of all, Brother James R. Baggs was recently elected vice-president of the

Interfraternity Council at N.C. State. Athletically, Sigma Pi has proven to be very strong in winter and spring sports such as bowling, basketball, horseshoes, and softball. Socially, the semester has been endowed with combo and theme parties including our notorious annual Pajama Party. As always, Orchid Ball was an absolute success. The alumni of Rho have also proved to be a great help. They have pledged financial aid in the purchasing of furniture for the chapter house.

The active brothers and alumni also plan a monthly poker game in which money will be donated to this fund. To enhance relations with other Sigma Pi chapters, Rho is having a social event with the Alpha-Nu Chapter at Wake Forest. At the present time, Rho will hopefully send a host of brothers to the Sigma Pi Convocation in Atlanta. Rho will also be busy in other areas during the summer. For a change of pace, the brothers are having a summer retreat in the mountains, during which the brothers hope to establish guidelines for next year. To end this year, our service project will be a picnic with the people at the Murdoch Center.

Correspondent: Jackie L. Cummings

OHIO STATE

In looking through THE EMERALD, we of Gamma Chapter noticed the listings of contributions to the National Chapter of Sigma Pi, and found the alumni of Gamma Chapter to be one of the largest contributors. We are very proud of this record.

We are very sorry, however, to be losing Dr. David Brandfass who currently is president of our Alumni Association and House Company and was instrumental in the building of our new home. "Brother Dave" will leave in June to set up a new dental practice in Lighthouse Point, Florida. Alumni meetings are being held to find his replacement. We hope more contact with our alumni will be initiated this year, and we invite you all to stop and see us when in town.

As to our activities, we have had the usual successful parties and events. Gamma Chapter fully participated in the Greek Week activities here at O.S.U. and even won the Volkswagen push. Sigma Pi was also represented in the Annual Ohio Winter Rallye by Mark and David Schnoerr who won second place in this ten hour night-long event. Sigma Pi is still in the running for the large trophy that Falstaff is giving to the fraternity who buys the most beer this quarter.

Our newly installed officers are: Sage, Mark S. Schnoerr; First Counselor, George B. Perdue, III; Second Counselor, Ferdinand V. Huber III; Third Counselor, Jerry N. Ulrich; Fourth Counselor, N. Richard Cooley; Herald, David E. Schnoerr; Alumni Relations, Donald W. Smith; Rush Chairman, Terry L. Wehr; Social Chairman, Kurt B. McCurdy; House Manager, Christopher B. Strombotne.

Correspondent: David Schnoerr

PENN STATE

Long established as a top Penn State fraternity, Theta chapter has recently attained an unprecedented degree of prosperity. After most successful fall and winter terms, the brotherhood continues to actively pursue further distinction in inter-fraternity, university, and civic affairs.

For the second consecutive trimester, Theta has maintained the highest scholastic average of the 48 Penn State fraternities. This factor, along with our high standing in IM athletics, our Homecoming activities, and our first placement in Greek Week, all but clinches the soon to be announced Omega Epsilon Award. This award is given annually to the all-around top Penn State fraternity.

We are now in the process of hosting the inter-fraternity softball league as we were the champions last spring. We and our little sisters appear to have strong teams again. Furthermore, we are nearly ready to hold our first "Sigma Pi Open" golf tournament. Proceeds from entrance fees and sponsors will be given to a local charity. The "Open" is to be our annual philanthropic enterprise.

Business aside, we have enjoyed an exceptional social calendar. Spring term was commenced with our Orchid Ball. David K. Mossman was voted the Outstanding Senior, and Miss Sally Hogg is our Orchid Lady. It was a memorable weekend.

Not content to live on memories, however, we have continued to lead a rewarding social life. Final plans are now being laid for our entrance into Spring Week with Kappa Delta sorority, and our Mothers' Day social is soon to come.

Our new officers are: Sage, Lawrence E. Wargo; Second Counselor, John S. Howell, Jr.; Third Counselor, Kurt A. May; Fourth Counselor, Kirk M. Gadebusch; First Counselor, Clay A. Neubert; and Herald, Daniel K. Mathers.

Correspondent: Daniel K. Mathers

PURDUE

Eta Chapter had quite a busy spring semester this year. On the last weekend of classes, Purdue held its annual Grand Prix races, and the "Pi's", along with the Alpha Delta Pi Sorority, entered a cart driven for the second consecutive season by Jay R. Myers. The pit crew, under the direction of Robert D. Clark, says that we have a good chance of being in the top ten.

Early in April, we held our annual Orchid Formal dance, which, thanks to the efforts of social chairman Charles R. Parks, Jr., was a great success.

Our recently installed nine man pledge class will move into the house this fall and will finish their pledgeship early in the coming school year.

As far as the intramural all-sports trophy goes, it appears that we may have to settle for second place, which is no cause for us to hang our heads. Hopefully, this year, under the leadership of our new athletic director, Don C. Landrum, we will have the ability to come back and grab first place again.

The brothers would also like to express thanks to the Sigma Pi Little Sisters, for all that they have done for the brothers, including serving us dinner and baking a "Sigma Pi" 77th birthday cake on Founders' Day.

Correspondent: Mark S. Greenberg

ROCHESTER TECH

The normally dull winter quarter at Beta-Phi was quite the exception this year. During the annual Winter Weekend, Sigma Pi took the Broom Hockey Championship out of a field of 64 teams. In the Ugly Man on Campus contest, we also came out on top by donating \$388 to the local volunteer ambulance corps. Our closest competition donated \$300. Ugly Man Daniel E. Dedo won a beautiful plaque for the house and received coverage in the Rochester newspapers.

Our softball team looks like championship material as we won our first three games by 8 runs or more. Coach Kenneth A. "Bear" Searles is looking for the All Greek title this year, and considering the strength of the team, the chances are in our favor!

Our rush program worked well as we have 8 pledges this spring. With the addition of these 8 into the house, we will be very strong in the coming fall.

Our upcoming Dinner Dance, the social highlight of the year, looks very promising as 45 alumni couples have notified us on their plans to attend. Our annual Clambake at Letchworth State Park should also be a huge success as many Brothers are planning an outing to be held the night before.

Correspondents: Robert B. Vlosky and Patrick C. Bonner

ST. LAWRENCE

Alpha-Zeta Chapter has undergone a change. Last fall the brothers moved into our new abode which is owned by the university. Suggestions for decoration, further sound-proofing and wall strength have been looked into. Work in the basement is coming along fine. A panelled chapter room, complete with bar and color television is almost completed. The basement walls have been sealed to prevent our heritage of leakage and the ceilings have been taped and spackled. All of the work was done by brothers and pledges.

Our sports teams have fared fairly well. Our basketball and hockey teams finished 5-5 and 6-6, respectively. Squash intramurals was won by Thomas S. Bixler, Jr. At present the softball team posts a 2-0 record after a squeaker in the opener, 18-17. Stiff competition awaits us.

The pledge classes taken in both fall and spring have promised to continue the vast diversity and personality within the house. The fall saw 10 pledges, with initiation in early February. Later in February, 13 more pledged Alpha-Zeta. They are now looking forward to the end of the pledge period, and initiation prior to spring weekend.

Socially, the house planned the normal heavy rush schedule prior to pledge Saturday, so parties have slacked off. Our Valentine's Day formal was our highlight and pride this semester. Spring weekend is approaching. Arrangements for our annual Lake Placid weekend have been worked out, and a good turnout of brothers is expected.

Our new officers, elected in February, have taken the load of responsibility admirably. They have coordinated many of the activities discussed above. The house is looking forward to the close of this semester, and a productive year in '74-'75.

Correspondent: Thomas J. Marcinkowski

SALEM

Delta-Mu has been going strong in intramural IFC sports. We claimed trophies for finishing first in IFC volleyball and softball competition and second in football and basketball. We have five teams in intramural bowling. Last semester the Pi's placed three teams in the top five. We are hoping for another successful season in bowling. Greek Week is the big event during the Spring semester. Our formal is held during Greek Week and many alumni have the chance to make it back for the good time.

The Pi's are winners of the scholastic trophy for the semester. Delta-Mu obtained the highest average among the Greeks on campus.

The Pi's are well represented on campus this year. Brother Michael L. Cheselka was elected vice-president of the IFC. Brother Robin J. Salvatore is Chairman of Freshmen Week. Brother Duane L. Peters is the Station manager for the college radio station and Sage L. Scott Viehdorfer was elected co-captain of the baseball team.

This will be the last semester in the house for the Pi's. The brothers are working hard to obtain permanent residence for Delta-Mu with in the next year.

SHIPPENSBURG STATE

The big news at Beta-Upsilon is the selection of Second Counselor Michael J. Belcher for a tryout with the United States Olympic soccer team. Mike is now in Massachusetts seeking a spot as fullback on the team. We are all very proud and wish him the best of luck.

We have also received word that brother Danny Searer, All Conference defensive half-back on our school's football team, will receive a tryout with a professional team following his final year next season. Again, we are happy for Dan and are proud to call him our brother.

Our second annual Spring Fling, a party in the mountains attended by over 25% of the campus, was a great success and congratulations are in order for Sage John R. Woram, Third Counselor Joseph J. Gianguilio, Brother Peter Voudouris and all the brothers of Beta-

Upsilon who worked hard to make the affair so successful. Finally, we are now preparing for the Orchid Ball and our End-of-the-year party which will close out our year. In all, it has been a profitable and eventful semester. All of us are very proud of our success and hope to pick up where we left off next year. Correspondent: Albert C. Mollica

SOUTHERN TECH

Spring quarter at Southern Tech is busy, indeed. Epsilon-Alpha began the quarter by taking a trip to Panama City, Florida, during Easter. On the way down, the Brothers stopped to visit Sigma Pi at Troy State University.

On April 8, Epsilon-Alpha began a joint program with the Marietta Y.W.C.A. where the Brothers provide rides for, and teach handicapped children to swim. This has been very rewarding for the men involved.

On May 18, Southern Tech will hold its annual Bath Tub Race, the only one of its type in the world. The Tubs, powered by 175cc motor cycle engines, run a 50 mile race, reaching speeds up to 70 mph. The Sigma Pi Tub met an unfortunate accident prior to race day

last year, but the brothers have worked hard and will have a Tub ready by race day this year. Epsilon-Alpha's Orchid Ball will also be held that weekend.

Epsilon-Alpha will host the semi-annual blood drive at Southern Tech in May. The Brothers have pledged to collect 100 pints of blood. While choosing a difficult goal of so many pints, Epsilon-Alpha feels it can be reached with much hard work. Correspondent: Maurice E. Pender

SOUTHWEST MISSOURI STATE

The brothers of Alpha-Rho are winding up this spring semester in traditional form. At the beginning of the year a new Executive Council was installed. New officers are: Sage, Robert K. Smith; Second Counselor, Larry D. Elrod; Third Counselor, Dennis E. Erickson; Fourth Counselor, James R. Taylor; and Herald, James R. Rathmann.

Greek-Week started the beginning of the spring festivities. Each day a different event took place with the culmination of the week being the games themselves on an out of town farm.

Orchid Ball was the highlight of the spring. The first night was a riverboat party at Table Rock Lake. The next night was a formal banquet held at Riverside Inn where awards were presented to outstanding brothers. The Man of the Year and the Scholarship award went to R. Brooks Kenagy, III. Athlete of the Year was C. William Brown, Jr. Ideal Pledge was Terry D. Fisher. Marla Rhea was crowned the new Sweetheart of Sigma Pi.

The following week saw the initiation of seven new brothers into our brotherhood. Plans for the summer rush program have been finalized and we're looking forward to a successful fall rush.

Throughout the year we have enjoyed the company of our brothers from many different chapters. Brothers of visiting chapters were from Alpha-Sigma (Arkansas), Delta-Omega (SIU, Edwardsville), Delta-Zeta (Missouri, St. Louis), Gamma-Gamma (Central Missouri), and Gamma-Sigma (Missouri). The brothers here welcome any visiting brothers to drop by and party with us. Correspondent: Michael K. Trimble

VALPARAISO

As the semester draws to a close and spring fever sets in on everyone, we here at Beta-Tau take this opportunity to look back on the past four months in an attempt to put off for another evening the inevitable studying we all must do for finals.

We began the semester by taking a pledge class of fifteen really fire-up men. This class was the third largest class taken by the thirteen national fraternities on campus.

Sorority keggers, open bars, band parties, and countless impromptu jags were held in the spirit of the traditional fired-up attitude of Beta-Tau.

The annual Spring Formal of Beta-Tau Chapter was held at the Portage Howard Johnson's on April 20. At this time, Miss Susan Roeser was crowned as "Orchid Ball Queen" for the 1973-74 school year. Brother Steve Squirlock was named the "Alumnus of the Year" for 1973, and special recognition was given to Alumnus Mark Landgrebe for his many years of outstanding service to Beta-Tau Chapter.

Brother Daniel L. Rengstorf, a Music major from Rochester, Minnesota, presented his Senior recital on April 16. A reception followed at the house. Brother Greg W. Kahler, a member of the varsity tennis team, took first place in the number two singles competition at the Little State Tennis Tournament at Wabash College.

Due to the fact that our house at 805 Brown Street will be sealed off for remodeling over this summer, we will be forced to use 358 Garfield Street, Apartment 3, as our headquarters for the summer months. Anyone wishing to stop in Valpo for a good jag during the summer, feel free to call (219) 462-0067. The bed space may be limited, but the good times will be in abundance.

Chapter officers are: Sage, Fredric E. Beeching; Second Counselor, Gregory G. Peters; Third Counselor, Mark C. Schmidt; Fourth Counselor, Jeffrey S. Mason; Herald, Donald J. Neubacher and First Counselor Craig A. Frank. Correspondent: Lawrence J. Warg, Jr.

WEST VIRGINIA TECH

The Gamma-Xi Chapter house underwent many improvements this spring semester. We have remodeled the kitchen adding a new sink and new cabinets. We put a new roof on the garage. We also corrected some potential fire hazards and installed more fire extinguishers.

Fund raising has taken an important place this semester. Collecting newspapers and pop (beer) cans was one of our projects. Car washes were very successful in raising money. Our biggest project was raffling a HP-45 calculator.

Gamma-Xi won the school spirit contest beating all other fraternities on campus. We received a trophy and a plaque was placed in the gym in our honor.

The biggest social event of the semester was the Orchid Ball which was held at the Hawk's Nest Lodge. It proved to be quite a night for everyone.

Correspondent: James R. Pifer

WESTERN MICHIGAN

The brothers of Gamma-Rho Chapter had an outstanding year, the biggest accomplishment being the All-Sports Trophy. Out of twelve sports we took seven first places.

This winter semester was a good one for pledges. We had ten pledges - the most we have had in years - for the winter semester. They will definitely prove to be an asset to the Fraternity.

We are number one at Western Michigan University this year and will continue to be number one in coming years. The only fact to which we can attribute our success is that we worked together as brothers like never before.

Correspondent: Christopher J. Schmidt

WISCONSIN OSHKOSH

The Gamma-Mu Chapter is back in Oshkosh again after spending the spring break in Florida. We centered our activities in the Daytona area. A good time was had by all and next year we hope to invite other chapters along with us.

Our chapter recently purchased a bench at the National Headquarters. This was our way of saying thank you to one of our advisors, Dr. Lothar I. Iversen. Dr. Iversen was one of the founders of our chapter and has since provided much support and guidance.

The fraternity is currently involved in the Miller recycling contest. Points are awarded for turning in aluminum beer cans. First prize includes a pool table or color t.v. At last count we were 1,000 points ahead of the other organizations involved in the contest. Here we would like to thank the University of Wisconsin, Parkside Colony for their help.

May 3rd is the date set for the chapter's formal and it looks as if it will be another big

success with many alumni returning to Oshkosh for the gala event. This year the event will be held at one of Oshkosh's finest eating establishments, The Anchor Inn. "Pre" and "post" parties will be held at the new chapter house on John Street.

Correspondent: Michael B. Ripp

VIRGINIA TECH

Delta-Upsilon Chapter had a successful winter with improvements in many areas. After reevaluating our rush system, we were able to increase the number of pledges. Scholastically, we've improved over fall quarter.

Starting spring off early, right after break, Delta-Upsilon kidnapped the presidents of all the sororities on campus. The scheme was prearranged and everyone was notified right down to the campus security, and all was approved. The only people who weren't aware of the plans were the students waiting in line for registration. The girls were held until their respective sororities came up with a bag of groceries each. The hide out was the chapter house where the girls sat around watching the afternoon soap operas waiting for their "rescuers". The groceries were given to a local community action group which is part of the "Meals on Wheels" program.

Also on the service side, Delta-Upsilon had an Easter party for local under-privileged children. The event is co-sponsored by the Tech chapter of Alpha Sigma Alpha Sorority.

In athletics, the Fraternity made it to the IFC and university playoffs again, but this time it was for flickerball. We were happy because this is the first year we have been involved with the sport. It is relatively new and quite an interesting sport to watch as well as to play. With spring here, we have started softball, and have high hopes of bettering last year's record.

Another pleasant surprise this quarter happened during the recent IFC elections. The Sigma Pi candidate, Jay R. Lucas, was elected president, overcoming strong opposition from the candidate from Sigma Phi Epsilon.

WAKE FOREST

This year the house of Alpha-Nu Chapter has taken on a new look. Through the efforts of many brothers and the hard work of certain individuals, the innovations vastly improved its appearance. Under the fine leadership of Brother Phil Bartholomew, furniture with a black shag-carpet covering was built into our

television room. With the addition of a gold shag rug in the bar room area, our house provides the brothers with all the living comforts of home.

Of course, in order to show off our new luxuries, many activities have been held in the fraternity house, some dealing with our rush program. During January, the big month for rush at Wake Forest, the "Moon Pi's" have kept the campus rocking to the tune of music and mixers.

Newly elected officers are as follows: Sage, Bruce A. Gardner; First Counselor, John E. Simms, Jr.; Second Counselor, T. Wayne Hodges; Third Counselor, Kenneth A. Reckenbeil; Fourth Counselor, D. Keith Hilley; and Herald, Michael J. Havrilla.

Alpha-Nu's Orchid Ball '74 met with overwhelming success. The annual event was held in the Ballroom of the Winston-Salem (North Carolina) Hilton Inn on March 16, with Brother Lawrence F. Fernandez as Master of Ceremonies.

Distinguished guests in attendance included Province Archon Gary Tash and his wife Carol, along with Faculty Advisor Dr. and Mrs. John F. Dimmick. Dr. Dimmick, associate professor of Biology at Wake Forest, was also honored by his initiation as the Chapter's five-hundredth brother.

Gary Tash also initiated a new award which is to be given each year within the Province to the brother who, in the eyes of the Province Archon, best exemplifies the spirit of brotherhood. The award, known as the Edgar C. Voress Award, was named for the Alpha-Nu's own Ed Voress, the award's first recipient.

Alpha-Nu's intramural horseshoe team has had remarkable success this year. The team entered the finals by defeating the brothers of Sigma Phi Epsilon on April 10. The team takes on Sigma Chi in the championship round.

The results of Greek Week 1974 once again proved that Sigma Pi is moving upward on the Wake Forest University campus.

Brothers David S. Williams, R.A. "Ted" Gary, IV, Peter J. Bosmajian, Gary M. Keith, T. Wayne Hodges, Richard L. Davis, and David R. Maurer took first place in the Greek Sing with their rendition of "The Entertainer" from the award-winning film, "The Sting".

Sigma Pi Brothers also took third place in the Tug o' War competition.

However, the greatest moment of pride came with the announcement that Miss Lee-Anne Taylor, Alpha-Nu's representative, was elected 1974 Greek Week Queen.

Correspondent: Michael J. Havrilla

New Brothers Added To Fraternity's Rolls

Initiates reported to the Executive Office between February 1 and April 30 for the 1973-74 academic year are listed here with their hometowns. Unless otherwise designated, the town is in the same state as the school. This listing does not include those whose records are incomplete for any reason.

University of Akron

(continued on Page 10.)

New Colonies

(from Page 12.)

Eastern Kentucky

Expansion Committee Chairman, E. Andrew Morris, and Epsilon-Beta (Kentucky) Chapter have started the fourth Sigma Pi organization in the State of Kentucky at Eastern Kentucky University.

Jeffrey D. Briggs, an Epsilon-Beta initiate and a transfer student at Eastern Kentucky did the preliminary work. In late April he invited Brother Morris and a group of Epsilon-Beta brothers to Eastern to speak with a group of interested men. Three days later, another meeting was held and on May 2, 1974, 31 men were pledged in a ceremony taking place at the Epsilon-Beta Chapter house.

Pledged were: Sage Jeffrey D. Briggs, Second Counselor Thomas G. Tipton, Third Counselor Darrell W. Covington, Fourth Counselor Charles E. Overly, First Counselor Kevin R. O'Brien, Herald David A. Wheeler, Rush Chairman Thomas G. Tipton, David C. Beck, Chris P. Bonham, Dale A. Byers, Barney A. Coulter, Terry L. Cummings, Curtis E. Dorsel, Steven H. Estis, Jerry L. Fritz, James T. Hartley, David M. Hartsock, David W. Hicks, Gregory R. Hull, Joseph A. Judson, Stephen T. Klotz, Jeff W. Kustes, Robert D. Miller, Steve C. Moak, Richard R. Morris, Larry R. Nolan, Norman A. Pearson, Jr., James M. Twomey, Richard R. Unkefer, Howard L. Young and Mark K. Zehnder.

In addition to the Epsilon-Beta brothers and the new colony members, Province Archon Ellis L. Hefner, Expansion Committee Chairman E. Andrew Morris, Director of Chapter Services J. Michael

Hennessy and Little Sisters from Epsilon-Beta and Eastern Kentucky were in attendance.

Eastern Kentucky University, founded in 1906, lies in Richmond, 25 miles southwest of Lexington, Kentucky. It has a student body of about 9,600.

Western Illinois

The new Sigma Pi Colony at Western Illinois University can be credited to Brother William Barham (Beta-Iota, No. Arizona). Upon transferring to WIU in March, 1974, Bill contacted the Executive Office for information and assistance, then set about rushing a group of men.

His determination paid off on May 9, when 16 men were pledged into the new colony. Subsequently, Bill was elected President of the new fraternity. The other members are: Darwin L. Brown, James C. Goldthorpe, Thomas D. Hepburn, Barry Henby, Rodney G. Kleckler, Arthur W. LaRue, John R. Levingston, Mark A. Metz, James M. Murray, Kent A. Pitman, Leonard F. Richer, William J. Rogers, Timothy L. Stablein, Thomas J. Szymaniak and Mark R. Thorn.

Western Illinois University, located in McComb, is the ninth campus in the state of Illinois to have a Sigma Pi organization. The university, founded in 1895, has an enrollment of 13,000. Other fraternities on campus include Alpha Gamma Rho, Alpha Gamma Sigma, Alpha Tau Omega, Delta Sigma Phi, Delta Tau Delta, Delta Upsilon, Kappa Alpha Psi, Lambda Chi Alpha, Phi Sigma Epsilon, Tau Kappa Epsilon, Theta Chi and Theta Xi.

Youngstown State University (Delta-Eta)

Kevin Thomas Brick, Tonawanda, New York; Kurt Gunnar Karlstrom, Cincinnati.

Life Membership Roll Continues To Grow

One hundred and eighty-three undergraduate and alumni brothers became Life Members of the Sigma Pi Foundation between February 1 and April 30. Life Membership is the highest and most distinctive class of subscription to the Fraternity's endowment fund. Through this support, these brothers will help Sigma Pi continue perpetually the many services to its chapters and brothers.

The present Life Membership fee is \$50.00, half of which is paid as part of the initiation fee. On July 1, 1974, however, the fee will be raised to \$125.00. Thus, those brothers wishing to complete their life membership at the lower rate, must do so now. A coupon has been provided at the bottom of this page for your convenience.

SIGMA PI FRATERNITY OF U.S., INC.

P.O. BOX 1897

VINCENNES, INDIANA 47591

Dear Brothers,

Enclosed is my check for \$25.00 to be applied toward my Life Membership in the Sigma Pi Foundation. Please send me my new Life Member card.

Fraternally,

BROTHER _____ **Chapter** _____

Address _____

City _____ **State** _____ **Zip code** _____

Brothers Help Start New Colonies

by Steven R. DeGrave, Expansion Director

The 1973-74 academic year has seen the active involvement of many alumni and undergraduate brothers in the establishment of new colonies across the nation. In October, a group of men, recruited from recommendations by alumni, was pledged at Illinois State University (see THE EMERALD, Fall, 1973). Louis Steinberg (Beta-Nu, So. Ill., Carbondale, '54) assisted with the colonization and now serves as colony advisor. Over Christmas break, Charles Nachtrab, an undergraduate brother of Beta-Upsilon (Shippensburg State) Chapter spoke to a friend in establishing a Sigma Pi Colony at Brandywine College, Wilmington, Delaware (see THE EMERALD, Winter, 1974). Gamma (Ohio State) Chapter alumnus Gary Chapman ('67) assisted with the colonization ceremonies on February 4 and now serves as a colony advisor.

Continued efforts this spring have resulted in the starting of eight new colonies. As can be seen from the individual articles on this page, alumni and undergraduate involvement was a key factor in their establishment. Included in the eight are three colonies working toward the reactivation of chapters: UCLA (Upsilon), Lycoming College (Beta-Lambda), and University of Mississippi (Beta-Mu). Also established was our first colony in Tennessee. Congratulatory letters and other correspondence should be sent to the colony President at the address given in the Directory.

As THE EMERALD goes to press, plans to colonize at other schools are being laid. To insure the success of these and other efforts, the help of every interested brother is needed. If you would like to assist in colonization at a nearby college or university, or would like to recommend a young man as a potential Sigma Pi member, please see page four.

UCLA

On February 20, the first step towards reactivation of Upsilon Chapter was taken with the pledging of 11 UCLA students. The colonization was the result of a coordinated effort by Upsilon Chapter alumni, led by PGS William Cutbirth, Beta-Omicron (Long Beach) Chapter brothers, and Expansion Director Steven R. DeGrave.

The members of the new colony are: Sage Alan J. Crivaro, Second Counselor Charles S. Davis, Third Counselor Geoffrey C. Quinn, Fourth Counselor Frederick W. Campbell, Rush Chairman William B. Short, James D. Dunphy, Michael K. Hieda, James S. Lipow, Michael J. Rausch, Robin L. Valdez and Markland O. Wyatt.

The colony has set a goal of 25 men by the end of the academic year. Upsilon alumni have undertaken the renovation of the chapter house located at 612 Landfair so that the members may move in at the start of fall semester.

Sigma Pi was the second fraternity to establish a chapter at UCLA when, in 1923, members of the Ball and Chain Club were initiated into the Fraternity's Twentieth chapter. Today the campus has 30,000 students.

Austin Peay

The first Sigma Pi Colony in Tennessee was recently established with the pledging of ten students at Austin Peay State University by Central Area Director J. Michael Hennessy. Much of the credit for the colonization goes to the brothers of Gamma-Upsilon (Murray State) Chapter who have visited the men often during the past year.

The groundwork for colonization was laid early in the year by Brother Hennessy and Expansion Director Steven R. DeGrave when they visited the school and interested several of the men in Sigma Pi. Their diligent follow-up paid off with the pledging of the following men: Sage Kevin H. Kuhn, Third Coun-

selor Paul R. Hightower, Fourth Counselor Stanley A. Quarles, First Counselor Roger L. Reniker, Michael P. Brown, S. B. Carter, III, Charles E. Fletcher, James A. Hemphill, Andrew L. Spann, Taraye Lee Spurgeon and Michael W. Story.

The colony has been active in community and campus activities over the past several months. In March they assisted with the First Annual Fiddlers' Convention of Clarksville and, more recently, raised money for the local Mental Health Center.

Austin Peay State University was founded in 1927 in Clarksville. It became a state university in 1967 and has, at present, an enrollment of 3,400 students. Other fraternities on the campus are Alpha Gamma Rho, Sigma Chi, Sigma Phi Epsilon, Pi Kappa Alpha and Alpha Phi Omega.

—S.B. Carter, III

Pembroke State

On the evening of April 3, another new colony was added to the growing roll of chapters and colonies, when Tau Sigma Nu, a local fraternity at Pembroke State University, was installed as a Sigma Pi Colony. The following members of Tau Sigma Nu were pledged and installed as colony brothers: Sage Leonard B. Plummer, Michael L. Bone, Robert L. Carroll, Larry A. Cook, Douglas F. Eller, Richard D. Evans, Geoffrey P. Fish, Michael E. McMinis, Gerry T. Melton, Terry H. Myers, Preston H. Page, Robert Elwood Rayle, III, John F. Sweet and Ronnie G. Thompson.

The ceremonies were conducted by PGSC Col. Walter H. Lemmond, Jr., and Gary B. Tash, Archon of Lambda Province, assisted by Sage Bruce A. Gardner, Second Counselor Wayne Hodges, Herald Michael J. Havrilla and Past Third Counselor Edgar C. Voress of Alpha-Nu (Wake Forest) Chapter and Sage James A. Turner and assistant pledgmaster Ronald W. Snipes of Beta-Rho (Atlantic Christian) Chapter.

Tau Sigma Nu was founded three years ago. They learned of Sigma Pi through literature left with the Dean of Student Affairs earlier this year and contacted the Fraternity's Executive Office expressing interest in affiliation. The matter was referred to PGSC Lemmond, a member of the Expansion Committee, who maintained constant contact with the local until its colonization.

Pembroke State University was established in 1887 as a normal school. In 1939 it was reorganized as a four year liberal arts college. Today it has a student body of 1,900. Other fraternities with chapters on the campus are Alpha Tau Omega, Pi Kappa Alpha, Pi Kappa Phi and Tau Kappa Epsilon.

—PGSC Col. Walter H. Lemmond, Jr.

held after several months of continuous contact with the men.

Inducted as pledges and colony brothers were: Sage Thomas I. Vanaski, Second Counselor Ronald R. Reed, Third Counselor James P. Ellis, Nicholas J. Bevacque, Andrew J. Fedore, Brian E. Harrigan, Thomas H. Heim, Joseph A. Pirone, Nicholas D. Renzi, and Randall W. Steiner.

Lycoming College is a United Methodist Church related liberal arts college with a student body numbering 1,500. Located in Williamsport, Pennsylvania, it is the home of five other fraternities: Alpha Sigma Phi, Kappa Delta Rho, Lambda Chi Alpha, Tau Kappa Epsilon and Theta Chi.

Colony Members at Southern State College

Southern State

With the establishment of its first Arkansas colony in a quarter century, Sigma Pi became the pioneer national fraternity at Southern State College in Magnolia. Assisted by Dr. Louis Blanchard (Beta-Mu, Mississippi, '53) and brothers of Delta-Lambda (Louisiana Tech) Chapter, Expansion Director Steven R. DeGrave pledged ten men on April 7. Dr. Blanchard, a professor of accounting, is colony advisor.

Inducted into the colony were: Sage Thomas S. Westphale, Second Counselor Cecil H. Hutson, Third Counselor James E. Nix, Fourth Counselor Clifford L. Bullock, Kurt M. Fenchel, Randall D. Pearson, Charles L. Reeder, Andrew M. Rogers, Vincent F. Smith and Teddy Wilson Walthall.

Southern State College was established in 1909 by the legislature of Arkansas to serve as a district agricultural school. It became a state college in 1951. Today it has an enrollment of 2,300 students.

Lycoming

With the assistance of Beta-Lambda (Lycoming) Chapter Alumnus George H. Buehler ('64) and Province Archon Michael T. Strailey, ten men were pledged into the Beta-Lambda Colony of Sigma Pi on April 15, 1974. The ceremonies were

Mississippi

Colonization at The University of Mississippi took place on April 21, just ten days after the first organizational meeting. It was at that meeting that two "Ole Miss" students, Ricky J. Rea and David P. Buck set their goals to re-activate Beta-Mu Chapter. Their determination brought about the pledging of the 18 men which already makes the "Ole Miss" Sigma Pi Colony larger than two already existing fraternities on the campus.

Inducted by Director of Chapter Services J. Michael Hennessy were: Sage Ricky J. Rea, First Counselor David P. Buck, John M. Brandon, Frederick A. Fortune, Daniel L. Hamilton, Maurice L. Jackson, Stephen R. Kergosien, Merlin W. Ladner, Ronald D. LeBlanc, Jr., David L. Lord, William D. Mulkins, III, Thomas J. Williamson, Jr. and Brian F. Zentz.

A number of these men will be attending the Convocation in Atlanta, and all will be returning to "Ole Miss" one week early to start improvements on the Sigma Pi House located on Fraternity Row. R. James Burnett (Alpha-Pi, Arkansas State, '71) will be working with the group in its rebuilding process.

The University of Mississippi, with an enrollment of 6,500, has been the home of fraternities for more than a century. It is located in University, Mississippi. Beta-Mu Chapter was originally founded at "Ole Miss" in 1953.

Colony Members at Pembroke State University
